Other Info	Must be used with fork truck
External Dimensions (WxDxH mm)	1050 x 870 x 670

Description

Designed to suit 210 litre steel or L & XL ring plastic drums, this easy to attach, forklift mounted drum rotater / tipper enables you to rotate the drum through 360 degrees and facilitates easy emptying.

Minimal effort is required due to the quality gearbox connected to the cranking handle, enabling easy operation up to

around shoulder height.

2 robust ratchet webbing straps secure the drum in position.

2 large 'T' screws enable easy hand tightening to the forks of your truck.

Photographs taken prior refurbishment. Our refurbishment service is not available on all machines.
