The biased front doors (1200 & 300mm) offers easy access for loading trolleys etc.

Explosion relief panels are fitted to the roof and to the left hand side is the control panel with gas and temperature controllers fitted.

On the inside of the oven are 3 hanging trolley rails on 325mm pitch that can be extended outside of the oven for jigged and wired loading.

Internal dims- WxDxH = 1550 x 3660 x 1920mm

External dimensions WxDxH = 1965 x 3915 x 2650mm
