## ICI Cleanfast 395V Stainless Steel Cleaning Tank

Plant with internal dimensions of 1900 x 950 x 950 mm deep.  
(may be worked at greater liquid depth up to 1100mm tbc)

This is a good used example of a traditionally arranged self contained vapour solvent degreasing plant.

Suitable for use with solvents such as Ensolve, Genklene, Methylene Chloride and other types of Chlorinated solvents.
