

CSC Baglioni, Italy 900Litre Mild Steel 11 Bar Compressed Air Receiver

Stock Code: AB105

Manufacturer: CSC Baglioni, Italy

Model: 900L

Year of Manufacture: 2019

Serial: 29780

New or Used: Used (Second Hand)

CFM/Kw: 900Litres Storage Capacity

Compressor Type: Suitable for all compressed air systems.

Other Info: Comes With Pressure Test Certificate.

Weight: 214

External Dimensions (WxDxH): 925 x 760 x 2200

This second hand 900ltr Air receiver is ideally suited as a centralised unit installed in a compressed air circuit to provide a reservoir of compressed air offering a buffer against intermittent or high demand. Features Include:A receiver offers a partial moisture trap that reduces and protects the equipment from the water produced in the air stream during the air compressors in the compression cycle.Fitted with multiple input/output points, pressure gauge, bottom drain and safety pressure relief valve.Rated with a design pressure of 11 Bar.Working temperature range of -10°C to +120°C.Approx. size 860mm x 760mm x 2200mm.Complete with pressure test certificate.
